INSTRUCTOR

Dr. Chris L. Owens is a 1988 graduate of LSU Dental School in New Orleans, Louisiana and is the founder and owner of Advanced Laser Training, Inc. Dr. Owens has lectured all over the world on subjects ranging from Cosmetic and Implant Dentistry to High-Tech Laser Dentistry.

Dr. Owens is a past board member of the Academy of Laser Dentistry where he served on numerous committees and is in a unique position to advise students as they enter the world of organized laser dentistry.

COURSE ORGANIZERS

Dr. Robert H. Gregg II is the President and Program Director of the Institute for Advanced Laser Dentistry and an Adjunct Professor at Rutgers School of Dental Medicine. He has been using lasers clinically since 1990, including CO2, FRP Nd:YAG, FRP Ho:YAG, surgical Argon, CW diodes and Er:YAG. He lectures internationally on the subject of clinical laser applications.

Dr. Dawn M. Gregg is CEO and Training Director for the Institute of Advanced Laser Dentistry, for which she lectures internationally on the LANAP® procedure and clinical applications for the PerioLase® MVP-7™. A graduate of UCLA School of Dentistry, Dr. Gregg is an Adjunct Professor at Rutgers School of Dental Medicine.

Drs. Gregg also hold executive management positions at Millennium Dental Technologies, Inc.
